

Home School Eligibility Check Guidelines

for 6th-12th grades

***Each member is responsible to refer to the by-laws for all detailed requirements!**

*A progress report **MUST** state students name, date printed, classes in progress, percentage of work completed to show progress from one report to another and grade in class.

*You **MAY** submit your progress report two days prior to the due date. No earlier! However, remember the date printed on the report may **NOT** be more than two days prior to the due date!

*On eligibility form where it is designated for superintendent/principal to sign make a note to the side stating home-schooled so Secretary Kathy Gonzalez knows to check the eligibility list for your eligibility.

*If deadline is **NOT** met on the dates provided, you will **NOT** participate in the next entered rodeo.

*All Progress reports will be processed in the order they are received.

*Failure to comply with three eligibility checks; will result in you being disqualified to enter Nevada State High School & Junior High Rodeo for 2015/2016.

*Eligibility checks due on the weekend of a rodeo can be done at that rodeo unless posted differently.

*If you are **NOT** participating in rodeos within the eligibility check dates you are **NOT** required to submit progress reports.

*It is your responsibility to know the eligibility check dates. We will **NOT** be sending out reminders for progress reports nor will we be contacting you if we do not receive one from you.

*We will send out confirmation emails after we receive each progress report to let you know if you are eligible or not and which rodeo or rodeos the eligibility check dates were good for. If you do **NOT** receive a confirmation email you need to contact us **ASAP!**

*If there is a question regarding one's eligibility it will go before the eligibility committee for review. No one individual from the eligibility committee will be making the determination of ineligibility. It will be determined by the committee as a whole and communicated to the Executive Committee.

*If you have any questions or concerns please contact any one of us and we will be happy to help.

*Make sure you send your report to the proper committee member designated to take your report.
