ELIGIBILITY REQUIREMENTS FOR STATE FINALS:

When you check in at state finals, you will be required to submit a hard-copy PROGRESS REPORT or REPORT CARD/TRANSCRIPT with the most current grades you can get. It does NOT need to be sealed. If you are public school and can't get a school official to sign it, we will have our National Director sign it providing your grades prove you are eligible. If you are home schooled, the same rules apply that have all year: progress report MUST state students name, date printed, classes in progress, percentage of work completed to show progress from one report to another and grade in class.

*The "F" rule AND the 2.0 GPA requirement will both apply. If you have either an F or below a 2.0 GPA, you will not be able to compete at state finals.

Being able to have this dated early, and unsealed, gives you the opportunity to make sure everything is correct. If there is a problem with your grades, you will have time to get them fixed or whatever you need to do BEFORE state.

Let me emphasize: **THERE WILL BE NO PHONE CALLS TO SCHOOLS AND/OR COUNSELORS TO HAVE GRADE CLARIFICATIONS AT STATE.** It is your responsibility to make sure your progress report is correct.
